

A message from the President:

Plant City Entertainment, Inc. is ecstatic to be entertaining audiences again after one and a half years of silence due to the covid pandemic. We are excited to revive live theater and once again present to our community the quality, award-winning productions all have come to expect from PCE.

As you visit our theater, I hope you enjoy the renovations we have made during the pandemic hiatus. Thank you to all contributors who made this possible. Another addition you will find is now we offer a donation cash bar for your beer and wine refreshments. The bar is available in our lounge, one hour before curtain time and during the show's intermission.

PCE is deeply grateful to the generous financial donors while our doors were closed during the pandemic. It is thanks to each of you that we managed to "stay afloat" during this time. If you feel compelled to make a contribution to PCE, please click the "donate" link or simply mail a check to:

During the "not so normal" year of 2020, PCE reached a significant milestone: 40 years of entertaining our community with live theater! Whether you have attended just one show or many throughout our 40-plus years, we thank you for being a part of our celebration! After all, entertaining our patrons is why we do what we do. Our mission is to...

"Instill the love of live theater in the child, renew the magic in our senior citizens, and for all those ages in between, to promote self-confidence, teamwork, and fun for all, as we strive to entertain".
